Frequently Asked Questions

WHAT HAPPENS AFTER I BUY AN ANIMAL?

Once you have purchased an animal, you will be asked to select a processor. The processor is where the animal will be taken to be custom harvested for steaks, chops, ground meat, roasts and cuts made from the animal based on your choosing. Once completed, the processor will contact you to pick up your product. Your final product will be packaged the way you would see it at the grocery store.

WHERE DOES MY MONEY GO?

A majority of the funds will go to kids to help them purchase their next year's projects supplies and feed. No funds pay for salaries; everyone's time is donated. The auction will keep a small portion to help pay for the expenses such as supplies, equipment, etc.

CASH, CHECK OR CREDIT CARD ARE ACCEPTED

HOW DO I TRANSPORT THE ANIMAL THAT I PURCHASED?

The Sale Committee and Volunteers take care of hauling the livestock to the processor, so if you purchase an animal, don't worry about transportation.

CAN I SUPPORT THE YOUTH BUT NOT TAKE THE ANIMAL?

YES! You can purchase an animal, pay for it, and donate the animal back. This means the animal will be resold at a livestock auction and the money will be given to the charity of your choosing. Some suggested charities are listed on the next page.

IS MY PURCHASE TAX DEDUCTIBLE?

In most cases there are tax advantages, but everyone's situation is different.

CAN A COMPANY OR BUSINESS BUY AN ANIMAL?

Businesses are more than welcome to purchase an animal. This is a great way to promote your business or company. Many businesses will have the animal processed and use the meat as gifts for employees, use the meat for employee picnics, etc.

Meal Arrangements

Due to the Health Department regulations we will be giving each buyer a voucher to go get their meal from **one of the food vendors.**

We are also asking all buyers to leave the kids at home.

THANK YOU FOR YOUR UNDERSTANDING!
